

'MY OWN' GAME DICE

BY EWA

Let's roll y'all! There is plenty of use for a simple game dice - why not make it your own design?

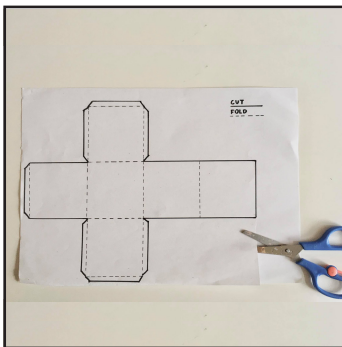

SUGGESTED AGE: 5+

ADULT GUIDANCE REQUIRED: no

YOU WILL NEED:

- PRINTED DICE SHAPE
- SCISSORS
- SOMETHING TO COLOUR - MARKERS, CRAYONS, PAINT...
- GLUE STICK

STEP 1

Cut out the cube shape. Cut only along the full-black lines.

STEP 5

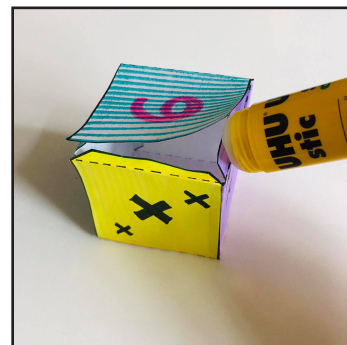

Let's get glueing!

Put glue on the little wings. They will hold the dice together.

STEP 2

Colour in! You can use crayons, paint, markers ... anything you want!

STEP 6

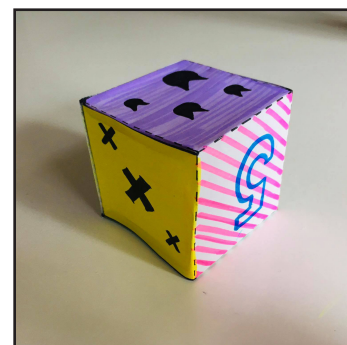

Fold and glue each side slowly together. Don't worry if it's not perfect!

STEP 3

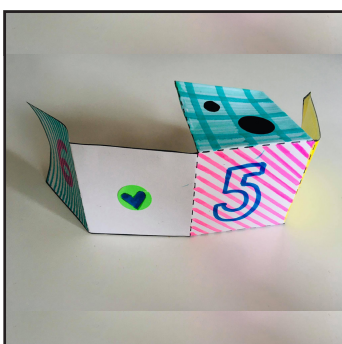

Now add the numbers to your play dice! You can write the numbers or use shapes.

Be creative!

STEP 7

TADAM! Your very own game dice is ready! Let's roll!

STEP 4

Now fold your dice!

Fold along the dashed lines (- - - - -). Fold the little wings towards the inside of the dice.
